

## Installer

Job Title: **Installer**

Reports to: **Lead Installer**

Compensation: **Full-time w/ occasional overtime, \$20-28/hr depending on experience**

General Description:

Redwood ADU is growing quickly and looking to add to our team of qualified individuals. We have tapped into California's ADU deregulation with great success. ADU's (Accessory Dwelling Units) are 300-1200 sqft residential units that can be added in the rear of residential properties for additional income, family housing, or guest space.

We are looking for an **Installer** to assist our **Lead Installer**. Your goal is to help the **Lead Installer** complete tasks. You should try to be one step ahead of the **Lead Installer**, handing them a tool before they ask, or packing/unpacking without being asked. A positive attitude and good work ethic are key. You will also have ownership of completing certain tasks, learning, and growing your skill set along the way.

An excellent **Installer** must be flexible, well-rounded, and comfortable traveling. The ideal candidate will have some experience in construction and be willing and ready to learn. Training will be provided for various tasks; proficiency is not expected in this role.

Work Location:

You will use a company supplied vehicle. The vehicle will be used for all site visits and traveling. This vehicle will also have all tools necessary for construction tasks. There will be a trailer available for delivering larger material loads when needed.

Projects with our company range from the Greater Sacramento area down to San Jose in the south and Santa Rosa in the north. You will be expected to drive to these job sites when needed.

Salary range, commission, bonuses, and other perks:

We provide a benefit package including 401k plan and sick/vacation leave. We offer competitive salaries depending on experience and can entertain performance-based bonuses.

Duties/responsibilities:

- Deliver and stage material onsite including doors, windows, lumber, cabinets, etc.
- Assist the **Lead Installer** various construction tasks, using various power tools.
- Pack/unpack tools between work truck and jobsite.
- Perform daily jobsite clean-up and safety checks.

Requirements:

- Comfortable using power tools.
- Positive attitude and good work ethic.
- Ability to lift 100 lbs.
- Valid CA driver's license with clear driving record.

Preferred:

- Experience driving trailers and larger trucks.

**Disclaimer:**

\*This job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee. Duties, responsibilities, and activities may change, or new ones may be assigned at any time with or without notice.
